Hi Sarah, I wanted to see if we could move our meeting time next Friday to 11 a.m. as I will be driving from Ridgway that morning. I have a meeting on Thursday night that will not allow me to leave as originally planned. Jeff Proteau of Telluride Ski and Golf is going to join this meeting with us on the Mountain Village Comprehensive Plan since he is our local expert on the Consent Decree.

Please let me know if this new meeting time works.
